

Anti-HORSE SERUM (RABBIT) Antibody - 108-4101
Code: 108-4101

Size: 2 mL

Product Description: Anti-HORSE SERUM (RABBIT) Antibody - 108-4101

Concentration: 75 mg/mL by Refractometry

PhysicalState: Lyophilized

Label	Unconjugated
Host	Rabbit
Species Reactivity	horse
Buffer	0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2
Reconstitution Volume	2.0 mL
Reconstitution Buffer	Restore with deionized water (or equivalent)
Stabilizer	None
Preservative	0.01% (w/v) Sodium Azide
Storage Condition	Store vial at 4° C prior to restoration. For extended storage aliquot contents and freeze at -20° C or below. Avoid cycles of freezing and thawing. Centrifuge product if not completely clear after standing at room temperature. This product is stable for several weeks at 4° C as an undiluted liquid. Dilute only prior to immediate use.
Synonyms	rabbit Anti-horse whole serum, rabbit anti-horse serum, anti-serum, detect horse serum proteins
Application Note	Anti-Horse serum antibody is suitable for western blotting, IP and for ELISA. Researchers should determine optimal titers for applications that are not stated below.
Background	Anti-Horse serum antibody detects horse serum proteins. Horse serum proteins are proteins in the portion of plasma remaining after coagulation of blood, during which process the plasma protein fibrinogen is converted to fibrin and remains behind in the clot. Anti-Horse serum antibody is ideal for investigators involved in Cell biology, Neuroscience and Signal Transduction research.
Purity And Specificity	Anti-Horse serum antibody was prepared from polyspecific antiserum by a delipidation and defibrination. Assay by immunoelectrophoresis resulted in a single precipitin arc against anti-rabbit serum and multiple precipitin arcs against Horse Serum.
Assay Dilutions	User Optimized
ELISA	User Optimized
Western Blot	User Optimized
Other Assays	User Optimized
Expiration	Expiration date is one (1) year from date of opening.
Immunogen	Anti-Horse serum antibody was produced by repeated immunizations with horse serum proteins.
