

Specialized Media for Primary Cells

Our Media Kits Include:

- A. Basal Medium
- B. Growth Supplement
- C. Penicillin/Streptomycin
- D. Fetal Bovine Serum

We also offer:

- Classical Media
- Custom Formulations
- Animal Component and Phenol Red-Free

Low Serum Specialty Media (500 ml)

Product Name	Cat. #
Endothelial Cell Medium	1001
Endothelial Cell Medium-rat	1021
Smooth Muscle Cell Medium	1101
Pericyte Medium	1201
Pericyte Medium-mouse	1231
Ependymal Cell Medium	1341
Meningeal Cell Medium	1401
Neural Precursor Cell Differentiation Medium	1531
Oligodendrocyte Medium	1621
Oligodendrocyte Precursor Cell Differentiation Medium	1631
Schwann Cell Medium	1701
Astrocyte Medium	1801
Astrocyte Medium-animal	1831
Microglia Medium	1901
Macrophage Medium	1921
Melanocyte Medium	2201
Melanocyte Medium-PMA free	2211
Fibroblast Medium	2301
Fibroblast Medium-2	2331
Alveolar Epithelial Cell Medium	3201
Skeletal Muscle Cell Medium	3501
Epithelial Cell Medium	4101
Epithelial Cell Medium-animal	4131
Mesangial Cell Medium	4201
Sertoli Cell Medium	4521
Osteoblast Medium	4601
Osteoblast Mineralization Medium	4611
Chondrocyte Medium	4651
Synoviocyte Medium	4701
Nucleus Pulposus Cell Medium	4801
Hepatocyte Medium	5201
Stellate Cell Medium	5301
Cardiac Myocyte Medium	6201
Trabecular Meshwork Cell Medium	6591
Trophoblast Medium	7121
Adipocyte Medium	7201
Preadipocyte Medium	7211
Preadipocyte Differentiation Medium	7221
Mesenchymal Stem Cell Medium	7501
Mesenchymal Stem Cell Osteogenic Differentiation Medium	7531
Mesenchymal Stem Cell Adipogenic Differentiation Medium	7541

Serum Free Media (500 ml)

Product Name	Cat. #
Smooth Muscle Cell Medium-serum free	1111
Neural Precursor Cell Medium	1511
Neuronal Medium	1521
Oligodendrocyte Precursor Cell Medium	1601
Oligosphere Medium	1611
Keratinocyte Medium	2101
Keratinocyte Medium-defined	2111
Fibroblast Medium-serum free	2311
Tonsil Epithelial Cell Medium	2561
Oral Keratinocyte Medium	2611
Colonic Epithelial Cell Medium	2951
Bronchial Epithelial Cell Medium	3211
Small Airway Epithelial Cell Medium	3231
Thymic Epithelial Cell Medium	3911
Epithelial Cell Medium-2	4121
Urothelial Cell Medium	4321
Prostate Epithelial Cell Medium	4411
Leydig Cell Medium	4511
HematoGro Medium	5501
STEMium® Human Pluripotent Stem Cell Growth Medium	5801
STEMium® Human Pluripotent Stem Cell Growth Medium - Xeno-Free (STEMium-XF)	5811
Cardiomyocyte Selective Medium	5911
Cardiac Myocyte Medium-serum free	6101
Corneal Epithelial Cell Medium	6511
Cervical Epithelial Cell Medium	7061
Ovarian Epithelial Cell Medium	7311
Mesenchymal Stem Cell Medium-serum free	7511
Mesenchymal Stem Cell Chondrogenic Differentiation Medium	7551
Mammary Epithelial Cell Medium	7611

Animal Component Free Media (500 ml)

Product Name	Cat. #
Keratinocyte Medium-animal component free	2121
Fibroblast Medium-animal component free	2321
HematoGro Medium—Animal Component Free	5521
STEMium® Human Pluripotent Stem Cell Growth Medium-animal component free	5821
Mesenchymal Stem Cell Medium-animal component free	7521

Smooth Muscle Cell Medium-serum free
(Cat. #1111)

Keratinocyte Medium-animal component free
(Cat. #2121)

Mammary Epithelial Cell Medium
(Cat. #7611)

Colonic Epithelial Cell Medium
(Cat. #2951)
